Philadelphia, PA 19141

P: (215) 400-3590

June 29, 2020

Dear Central Community:

Multiple social media posts have been presented to the Central High School Administrative Team over the weekend of June 26, 2020. We are working to identify the perpetrator(s) with the Philadelphia Police Department through the School District of Philadelphia Safety Team. There are multiple ongoing criminal investigations based upon the content of the social media posts shared with us. We are using the CHS Harassment Policy, in conjunction with the School District of Philadelphia's (SDP) Code of Conduct to guide us throughout our investigation.

We are deeply disturbed by the words and actions of these community members and will hold all who may be involved accountable. Please review the CHS Harassment Policy and the SDP Code of Conduct that are posted on the Central HS webpage.

Ensuring a safe and supportive school environment for all students and staff has long been a goal at Central High School. The fact remains that the CHS Administrative Team and Faculty strongly condemn the use of any harassing language or acts related to race, religion, sex, gender, national origin, age, disability, sexual orientation, and/or personal appearance. We are committed to improving our school community for all.

Sincerely,

Timothy J. McKenna
President of Central High School
